## NURSING PROGRAM NOTICE OF NO GUARANTEE OF LICENSURE/CERTIFICATION

Admission or graduation from the Program does not guarantee obtaining a license or certificate to practice nursing. Licensure and certification requirements and the subsequent procedures are the exclusive right and responsibility of the Arizona State Board of Nursing. Students must satisfy the requirements of the Nurse Practice Act: Statutes, Rules, and Regulations independently of any college or school requirements for graduation as they exist at the time of licensure/certification. Although this explanation and handbook materials may provide information concerning the licensing process, the applicant/student is solely responsible for understanding and meeting licensure/certification requirements. NPC does not guarantee the accuracy of any of the information presented here or in any other materials presented to the applicant/student concerning the licensure process. Verifying the accuracy of such information is solely the responsibility of the applicant/student.

If convicted of a felony, an applicant for licensure/certification must submit proof that he/she "has received an absolute discharge from the sentences for all felony convictions three or more years prior to the date of filing an application" (Nursing Practice Act 2018, 32-1632 and 32-1637). Such proof includes completion of any sentence including imprisonment, probation, parole, community supervision or any form of court supervision. Examples of unprofessional conduct, but not limited to, are felony or misdemeanor convictions, substance abuse, conviction of an offense involving immoral behavior, or being guilty of acts which deceive, defraud or harm the public in any way.

Fingerprinting will be part of the application process for the nursing assistant, LPN and RN applicants.

If there is any question about eligibility for licensure or certification, contact the Arizona State Board of Nursing (602-889-5150).

I have read and understood the above statement.
