EMPTY
BOWLS

Two opportunities to create bowls for hunger awareness project

One in four households in Navajo County and one in three households in Apache County are considered food insecure. Feeding[®] America estimates over 46,500 people in these two counties fall below the 185 percent poverty level for SNAP and other nutrition program eligibility.

To help raise awareness of food insecurity in our communities, NPC's Fine Arts Department is hosting two "Make-a-Thons" to handcraft bowls to be used for an Empty Bowls Community Event.

"No experience is necessary and all ages are welcome to help create bowls for the event," said **Magda Gluszek**, a well-known ceramicist and NPC art faculty. The "Make-a-Thons" will be on **Friday, Sept. 11** and **25**, from 9 a.m. to 4 p.m., at the NPC **Show Low** campus, in the Aspen Center, room 104.

"Empty Bowls is an international nonprofit grassroots effort by ceramicists and educators, working with the community, to create handcrafted bowls as a way to raise awareness of food insecurity in our communities," Gluszek explained. "The bowls created during our 'Make-a-Thons' will be used to serve a simple meal of soup and bread during our Empty Bowls Community Event on **Friday, Nov. 20.**"

For a donation of **\$10** at the Empty Bowls Community Event, you'll receive one of the handcrafted bowls filled with soup from *Persnickity's* in Show Low and bread from *Baked in Pinetop*. **All proceeds** go to *The Love Kitchen* in Pinetop to aid in the fight against hunger. The Community Event will also be in the Aspen Center, on **Friday, Nov. 20**, from 11 a.m. to 3 p.m.

For more information about the Empty Bowls project, contact **Magda Gluszek** at **532-6176**.
