

## Food for Fines: Helping the Needy

NPC library patrons with overdue fines can help the needy and erase any fines during National Library Week, April 12 – 18.

The “Food for Fines” campaign allows NPC library patrons to return materials and have overdue fines waived by bringing a non-perishable food item for each 50 cents owed in late fees. All NPC campus and center libraries will be participating in the campaign.

This is the fifth year NPC libraries have collected food items in lieu of overdue fines. Food items will be donated to local food banks.

These options and a revised certificate of applied science better reflect the competency requirements for ASE or NATEF certifications. Instruction will be based on five areas: engine repair, engine performance, brake and transmission systems, electrical and electronic systems, and drive train, suspension and steering and HVAC.
