STUDENTS: Your input is vital!

Arizona is developing a **new** course numbering system to facilitate course transfer among Arizona's community colleges and NAU, ASU and UofA.

In the new **"Shared Unique Number" (SUN) System**, each transferable course will have a single "SUN" course prefix and number that represents course equivalency at all community colleges and the three public universities no matter what prefix or number is used at the individual institutions.

We are looking for **your** input on how best to launch and promote the SUN System. Please take a few moments to share your thoughts on this new tool by taking a short survey at:

<https://www.surveymonkey.com/s/sunsystem>.

**Be sure NPC student voices are heard.

You must now declare a degree/major

Beginning the first day of **FALL 2011** early registration, May 2, the Advisement Office will be blocking registration for students that have earned 32 or more credit hours and have **NOT** declared a degree/major.

If you would like to set up an appointment with an NPC adviser, please call **(800) 266-7845**.
